The OB/GYN Group of Austin

### **Dr. Jason L. Gooch, Obstetrician and Gynecologist with The OB/GYN Group of Austin, is a recipient of the 2008 Patients' Choice Award.**

Austin – Sept. 8, 2009 – Each month, more than 40,000 patients across the U.S. provide feedback about their experiences with their physicians. Over the course of 2008, hundreds of thousands of patient reviews were tabulated by MDx Medical, Inc. Based on these reviews, just a few physicians were selected to be the nation's most preferred physicians. Dr. Jason L. Gooch, with the OB/GYN Group of Austin, was selected to receive the Patients' Choice Award for 2008. Less than 5% of the nation's 720,000 active physicians received this honor.

Patients of The OB/GYN Group of Austin took the time to compliment Dr. Gooch in areas such as bedside manner, the amount of time spent with them, the courtesy of the staff, appropriate follow-up and their overall impressions of him as a physician.

Dr. Gooch commented on the award, "It is certainly an honor to receive special recognition from my patients. I will strive to continue to provide the same expert care to all my patients, along with the courtesy and respect they deserve."
